

LPGSA in partnership with DMRE launches Taxi Ads in Three Major Cities

DRIVING HOME THE PROMOTION OF LPG ACROSS SOUTH AFRICA!

We're thrilled to introduce taxi ads as part of our "LPG IS SAFE" campaign. Beginning this month, look out for these ads on taxis in Durban, Cape Town, and Johannesburg, spreading awareness about LPG.

MEET OUR CAMPAIGN SPONSOR: TIANLONG SOUTH AFRICA

Tianlong South Africa, a leading manufacturer of LPG cylinders based at 08 Haggie Rd, Dunswart, Boksburg.

GET INVOLVED AND SPREAD THE WORD!

This campaign is more than just ads on taxis—it is a movement. We are calling on all our members to share this message, spread the word, and make the benefits of LPG and its safety a part of everyday conversations. The more people know, the safer we all are!

WHAT'S THIS ALL ABOUT?

"The transit ads as part of LPG IS SAFE campaign emphasises that LPG is a safe, clean, and cost-effective cooking fuel for households.

The ads feature a scannable barcode that links directly to our website, where you can find valuable information on LPG guidelines, safety tips, and campaign details. We believe that promoting LPG safety starts with you!

LPG is a clean, efficient and safe energy for South Africa
